Products exempt from CE marking due to lack of applicable harmonised standards

Technical rules	EC REGULATION No. 765/2008 Article 30 "General principles of the CE marking"
-----------------	--

At present, no harmonised standards (EC Directive) are available for and applicable to the products listed above. Consequently, it is not possible to apply a CE mark or issue an EC declaration of conformity, for legal reasons.

The marking as presented in Appendix II shall be affixed only to products to which its affixing is provided for by specific Community harmonisation legislation, and shall not be affixed to any other product.
